

TAXATION

Annual Income Tax Returns – Completion and electronic lodgement using HandiSoft software approved by the Tax Office & used by over 6000 Tax Agents in Australia.

To ensure all items are covered please use our extensive checklists (located under the left hand menu “Checklists & Tax Tips”) for the preparation of tax returns for:

- Individuals
- Companies
- Trusts
- Partnerships

Individuals – We use an extensive checklist to ensure nothing is missed

Companies – Extensive checklists are used to ensure all items are covered

Trusts – Checklists used are specific to each type of entity

Superannuation funds – Specialised superannuation software is used for these entities. BGL’s Simple Fund which is the most preferred software; approved by the ATO for electronic lodgement.

Partnerships – Extensive checklist is used to ensure all information is received

Activity statements - Completion and lodgement

Investment Property Taxation – We specialise in Investment Property Taxation to ensure you receive the biggest tax refund legally possible

Tax planning and tax advice - For the correct use of appropriate structures to legally minimise tax.
